

**THE FLIGHT OF THE HOLY SPIRIT**

*“Have you wondered just how The Third Member of The Trinity manifests to so many, and yet is omnipresent and omniscient and omnipotent? How can this be, that One can have this much power, strength, and knowledge; and how can One inhabit so many realms that they cannot be counted? These are all good questions coming from a human mind and initiated from a searching human heart.*

*Imagine when man first discovered the wheel, what a great pleasure it was and what a great aid in the cause of human progress. Now imagine the most complex supercomputer now in existence. How do these two compare with one another, and how do they fit in the course of the development of the human race?*

*The dissimilarities are stark and profound, yet these were both developed by a finite mind. By design the human mind is finite and always will have some lack of perfection in omniscience, by the wisdom in design by The Father. Now realize that there are infinitely more complex realities and awarenesses out there in all the other universes and realms that the Father/Creator has made, and this all by design.*

*Simply because you as a human do not have the capacity to realize the magnitude of The Holy Spirit certainly does not infer that He does not exist, nor that His power is limited by the poor human imagination. Can you imagine then, The Father—Who generated The Holy Spirit from Himself, and what great power and capability that He had to accomplish this. This puts the creation of the Earth and all its inhabitants in an entirely different realm of difficulty, and while man is still discovering the mysteries of creation of those that inhabit Earth, this creation was a relatively simple task for The Supreme One.*

*This does not diminish your value to The Creator however, for He wishes communion with all His creations even to the highest levels that they are capable of and The Lord will enhance these beings as they please Him. This is one of the functions of The Holy Spirit...to inform, comfort, guide, and instill within all creation the knowledge of that which pleases The Father, so that all are given the fair and just opportunity to be with Him and to rise to Him in spirit and truth, just as the original design of creation indicated.*

*God’s Plan is fixed and unyielding.....it is perfect, and He strives to keep all creations on track to accomplish it in perfect order so that all are edified and live in peace and harmony with one another. Sin of course, has seriously disrupted this Plan but it is being dealt with and it will never happen again, for sin and Satan and all who follow him will be locked in the Realm of Hell forever never to influence God’s creations again.*

*You as humans have benefitted greatly from The Father’s Love in your creation, but along with your great potential came great responsibility as well, and free will that leads to great gain or great loss. The flight of The Holy Spirit in and around you will help in your battle against evil and will aid you in rising up above it and triumphing over it. So always be aware of His Presence and always find a quiet place on your knees to receive His witness and wisdom.*

*The one writing this pursues The Holy Spirit and goes to his knees in his bedroom and opens his mind and heart to My Words and he simply puts a pad in front of him and holds the pen in anticipation of the Word. I am graced by this act of faith and I come to him and speak clearly to his mind as he submits himself to Me thus relating great wisdom for salvation to all the world.*

*You too can hear from Me, but you must strive to live a life of holiness, righteousness, and purity, in order to commune with Me regularly. Open your heart to Me and you will grow to be a partner in Communion, and you will rise now and forever as you grow to be as your Father/Creator.*

*Listen My children, and you shall hear great elements of Truth.*

*With abounding love,*

*Ruach HaKodesh”*
