

FOR MY SERVANTS

“For you who are trained in the ways of The Lord, I salute you; and thank you for your dedicated service. You are a vital part of My earthly army, who without many more would fall into perdition in the arms of Satan, and to eternal punishment far beyond the imaginations of any human.

I bless you for your efforts, your well-spent energy, and above all your holiness that has no price. While you are holy it reflects on all you do, it shines on all that you minister to, it shows the right example to those who so badly need salvation.

I bless you for your loyalty, and the true heart that you have given to Me. I accept your life as a sacrifice that others may live...live forever with their Father Who art in Heaven.

If you keep the standard of righteousness, holiness, and purity, you will be with your Father as well; and you will have access to many that you have taught, counseled, and forgiven. They will be forever grateful to you as they go about their eternal lives in the heavenly realms. Be vigilant to maintain the highest standards of these three elements of God, and you will have unlimited privileges to nearly all realms in Heaven; then as you grow in your spirit in Heaven over the ages to come, you may reach a point where you are not restricted from the very quarters of The Holy Father, and the Great Spirits who have lived since near the beginning.

There is no greater privilege in all existence than this, and this should be your eternal goal moment by moment, as you go through your testing time on Earth. Do it all righteously and you will have nothing to regret, and blessings will flow forever.

For those of My servants who are in a state of compromise, know this: Everything that you do, and everything that you intend to do, everything that you think, and everything that you consider, is recorded. It all will be placed before you after your time on Earth is through, and justice will be poured out fairly.

You will be punished for every sin of commission and omission, and the far-reaching effects of each. Above all humans you will be punished the most severely, because you have a full knowledge of The Lord, and you have the awesome responsibility of shepherding My flocks.

You must not sin, but if you fall repent immediately and do your expiation quickly; for every sin that has not been paid on Earth will certainly be paid in the afterlife. The standard is righteousness, holiness, and purity, and nothing less will be accepted. My love requires nothing less.

Love Me and love My people no matter how you are treated, and no matter what you perceive; just love, bless, forgive, and minister; for your only goal on this Earth is to save souls. That is it...to save souls, and by doing this you will also save yourself.

Be about your Father's work always, for the time for Earth is near the end; yet many need to be saved. You are entering the final period that the prophets spoke about in the Word, and the prophets of the day are speaking now. Time is very short, so be diligent in your work.

Continue in My love."
