

LOVE

“It is not that I am a Spirit, that separates Me from you. I am always there and available; rather, it is you and your will, and the degree of your love that establishes the link between us. I always want to commune with you, I want to be in you, I want to love you, and I avail Myself so that you may be close to Me.

You then, must freely give yourself to Me, and give your will to Me...so that it is My will. To receive, you must give—and the more you give, the more you will receive. You cannot out-give your God, for His blessings are far more profound than any human possession, or all that is precious on Earth.

Love—practice love so that you are so secure in it, that you can give it away. It is a gift that your Lord considers very precious, and He responds in kind. Love has power, beyond the limits of your imagination; and if you could draw back the curtain for a moment, you would be amazed.

Love is the antithesis of all the mortal sins, and love cannot fully exist in union with them; they are like water and oil to each other; and oil pollutes water such that it is no longer of use, and the complete cleaning of it is a great task...so rid yourself of all sin and purify yourself with love.

This type of love creates miracles—miracles that can benefit you and your loved ones, as you intercede for them. So if you wish to be a great help, and a great influencer of both the physical and spiritual realms, chasten your love and give it freely; and as you do more love will fall on you from Heaven, as a gentle rain...and this will lift you up and give you power that you will see all around you.

Love conquers all, and you can be this conqueror, and be of great value in the army of God; so always grow in love. There is no better use of your human energy.

Touch Me with your love.”
