

CALL TO ME

“When you are in despair and faith has eluded you, call out to Me.

When you are sick, call out to Me.

When you are hurting, call out to Me.

When darkness and evil surround you, call out to Me.

When you lose things of great importance, call out to Me.

When you are weak, call out to Me.

When you have no friends, call out to Me.

***When you feel you have nothing to live for,
call out to Me.***

***When you are humiliated and beaten,
call out to Me.***

***When you lose your job,
call out to Me.***

***When your children disappoint you,
call out to Me.***

***When your parents disappoint you,
call out to Me.***

***When the world disappoints you,
call out to Me.***

***When you are dying,
call out to Me.***

When you need forgiveness, call out to Me.

When you need knowledge, call out to Me.

When you need encouragement, call out to Me.

When you need a miracle, call out to Me.

When you need wisdom, call out to Me.

When you have a critical decision to make, call out to Me.

When you face a big challenge, call out to Me.

When you need anything, call out to Me.

I am always there for you, and I always will be...unless you push Me away with sin. The Word advises to pray constantly—this is wisdom. When you stay in constant communion with The Lord your path is made straight and level, and you receive help in all that you do. And if you do not pray, you are subject to all the evil influences that you do not see behind the veil, in the spiritual realm.

As I have mentioned previously, there is much more around you that you do not see, than that you do see. With God, you have protection from the evil forces, and you are blessed. The more you pray, the

more you will come to realize this truth. Even in your physical realm you will see changes and situations working out as you had wished, without the effort that you had intended to give.

Prayer has a great influence on the spiritual realm, and thus a great influence on your life; especially the prayers coming from a righteous person. They are very powerful, and I hear them.

Make prayer as natural and normal as driving your car, or walking, or studying, or any other of your routine daily activities. Make it a priority—and God will make you a priority.

Again, another choice made, that showers great blessings on the one making the right choice.

Take this idea with you every day.”
