

MY LOVE IS YOURS

“Wait not for the end of time, but live in the Glory of God. He is Mighty, He is Mercy, He is Love, He is Holy, He is your Father; and He will see you through to the end. Live as if you will live forever, for you will; and the short disruption of physical death is hardly a bump in the path to God.

Let His Love carry you away, away to splendid places of peace, love, holiness, and righteousness; and let His Spirit fill you so that you are ‘in Him and He in you.’ This is the highest state of being for any human, and exactly where your Father wants you to be. Then He can pour out His love, wisdom, and happiness, to and through you, so that you are refreshed in every element of your being, and strengthened to tolerate the world and the curse thereon.

Peace is yours for the asking, and your God is faithful to come to hearts that are open and true. Commune with your Father, and invite Him to commune with you...and you will receive answers to your innermost questions, and you will obtain wisdom outside this physical dimension in which you live.

There is more, much more to the reality that you see dimly, and it goes on forever; and God wants you to know it, for in knowing it you are drawn closer to Him, and this is Holy.

Rest on Him as you would your earthly father...as a child. He wants you to accept Him as a child, with wide open eyes, and a heart that is easily filled. He loves this, and will shower blessings on you as you press in to Him.

God is love, so He endeavors to draw all love to Himself, including your love; so do not be selfish with it, and let it out to be given to your Father. He will acknowledge your love gift, and send you blessings in turn. You will find that you cannot out give God, and the more you give to Him, the more blessed you will be...even to spiritual and physical heights that you could not have imagined possible.

This Father of yours is not of this world, and He is not worldly; He is mighty in The Spirit and He can accomplish all that you dream about for yourself—just believe heroically and have no doubt that He will fulfill His promises, and you will receive even to your physical death...then beyond.

Take comfort in this, you are never alone and you will never be abandoned as long as you love and obey The Father. Say these words; “Father, I love you with all my heart, soul, mind, and strength, and I want to be with You forever. Please come to me and commune with my spirit, and make me whole.” If you say this every morning to start your day, your life will change dramatically, and you will live in blessed peace.

My Love is yours.”
