

## REVERENCE

***“ ‘Our Father Who art in Heaven, **Hallowed** be Thy Name’. Do you want to receive blessings and honor from your Father, your true original Father who created you in His image? Then reverence His Name...reverence His Spirit...reverence His Works...reverence His Mercy...reverence His Love...reverence His Patience...reverence all that He is, and all the good that comes from Him. In doing this, you will again maintain your rightful place in the Universe, and you will again be on the path that God set forth for you many years ago.***

***Reverence Him and not the creation, for it is all from dust, and back to the dust it will return. Rather, reverence love, and spiritual things—for they last forever. Reverence the higher things of life and your eyes will behold the rewards that The Lord has planned for you in your life hereafter.***

***Look to this time: the time of peace, harmony, security, holiness, purity, a life without sin, and an existence where all love one another; and always put God and others first. Look to this time, for it will be upon you soon, very soon.***

***You will reverence God if you do His Will; so learn what it is, and practice it continuously. You will be amazed at the results of a life lived as such; and you will literally feel the Love of God, and His Light that shines down on you.***

***Your life will never be full here on earth, until you put yourself squarely in God’s Will, and open your heart to His Love. Do this, and you will experience how you were created—in conjunction with God, man, and the world. You will feel the perfect symbiosis, and you will be fully at peace, and you will have the indwelling of The Holy Spirit.***

***The Holy Spirit is not quiet, although He speaks in a ‘still small voice’, and as you are in the Will of God, He will give you wisdom and knowledge that is from the realm of Heaven; and it will lead you on a life’s path of contentment, hope, and happiness. He will teach you about God, Jesus, Himself, the Holy Mother, angels, saints, the secrets of existence, Creation, and a multitude of other subjects.***

***He never tires of blessing you, as long as your heart is open and your life is true. His indwelling is also a sign that will be emitted from you in the last days, when Christ comes back to Earth and gathers all the faithful up, to be transported to the Heavenly Realms.***

***If you do not have The Holy Spirit in you, you will be passed over, left to fend for yourself during a time of crisis; then only gaining salvation by a heroic effort of expiation and penance.***

**Be a good child, and welcome The Holy Spirit within you; and reverence Him as if He were your life itself, for without Him you have no life.**

**Take this wonderful and priceless gift to be your own—it is free. You then will live forever in the splendor of Heaven.**

**With Infinite Love,**

---

*Our Father,*

Who art in Heaven,  
hallowed be Thy name;  
Thy Kingdom come,  
Thy will be done  
on earth as it is in Heaven.  
Give us this day our daily bread;  
and forgive us our trespasses  
as we forgive those  
who trespass against us;  
and lead us not into temptation,  
but deliver us from evil

*Amen.*
